Experience

CEO/Founder, Eric Gandhi Design, Atlanta, GA (2005-Present)

- Concurrently worked as an independent designer for five clients while still in college
- Provided creative/marketing solutions, such as websites, application GUI designs, and ads
- Clients included Glen-Gene Deli, Schlotzsky's Deli, and mohkaLIFE Magazine

Manager, Schlotzsky's Deli, Dunwoody, GA (2005-2010)

- Managed a team of 6 to 8 individuals at the age of 18
- Established a wi-fi network that had laptop-equipped customers staying approximately 3 times longer, which increased the sales of desserts and other side items.
- Optimized the work schedule to ensure an even distribution of hours among the team, which led to more rested employees, a 50% drop in monthly absenteeism, and a reduction of overtime hours from 10 hours per employee to 2 hours per employee

Information Technology, Global Tutoring, Norcross, GA (2003-2005)

- Installed, maintained, updated, and repaired the establishment's twelve computer infrastructures, which included all their software, hardware, and data networks
- Merged six separate, fractured client information databases into one complete database with over 200 past and current clients, which allowed for the recontact and regaining of the business of approximately 30% of clients that had since left
- Standardized and created templates for two dozen forms that had previously been created "on-the-fly," saving 8 hours per week
- Led every one of the advertising and marketing ventures put forth by the establishment

Education

Georgia Institute of Technology, Atlanta, GA, Spring 2010

- Bachelor of Science in Science, Technology, and Culture
- Focused on Digital Media, Visual Design, & Film

Skills

Design Software

- Adobe Creative Suite (After Effects, Dreamweaver, Flash, Illustrator, InDesign, and Photoshop)
- Apple Media Software (Aperture, Final Cut Pro)
- Autodesk Maya
- OmniGraffle

Office Productivity Software

- Apple iWork Suite (Keynote, Numbers, and Pages)
- Microsoft Office Suite (Access, Excel, Powerpoint, and Word)

Programming Languages

- CSS/HTML
- Java
- Python
- Matlab

Spoken Languages

- Fluent in English and Gujarati
- Conversational in Spanish and Hindi

Suggestions:

Make sure you hire the best possible candidate.
 Try someone creative.
 Try an excellent designer.
 Try Eric Gandhi.

SOMETHING ABOUT MYSELF

I am a 22 year old fresh graduate who never loses the desire to learn and improve my talents. I never take the easy way out and always give my 100 percent in all that I do. I believe that being good at something means putting your all into your work and that hard work should always accompany skills. Which is why I always strive to bring out the best in me in every work that I do. Aside from my life as an artist, I am also a self taught musician, a meme enthusiast, a trying hard cook and a loving friend.

un peu de moi...

Passionné par l'image depuis ma tendre enfance et motivé par cette passion, c'est ainsi que je me retrouve aujourd'hui à exercer cette profession. J'aime particulièrement l'image de synthèse mais je suis également passionné par le motion design et les effets spéciaux en passant par l'illustration et l'identité visuelle.
